HEALTH CENTRE**

Join Our Board of Directors

Volunteer opportunity with Western Kings Memorial Health Society

Help guide a community organization supporting access to health services in Western Kings.

Who are we looking for?

The Western Kings Memorial Health Society's Nominating Committee is seeking new volunteer Board members to join a progressive governance team. Board members bring a wide range of skills, business experience, and community leadership to support strong oversight of the Society.

Board members help:

- Provide direction and support to Society employees.
- Set the long-term mission and strategic direction of the organization.
- Maintain oversight of the Society's financial strategy and overall health.
- Review donation requests and award funds in support of local health programs.

What does this involve?

- Serve a 3-year term, with the opportunity to re-offer.
- Attend quarterly meetings, typically held during the lunch hour.
- Participate in committees that align with your skills and interests.
- Contribute to decisions that support wellness in our community.

About the Society

Western Kings Memorial Health Society is a non-profit, charitable organization that has owned and operated the Western Kings Memorial Health Centre since 1996. We work to attract and support health-care service providers by offering reasonably priced, high-quality space, while maintaining the building and supporting local health-related initiatives.

We welcome interest from community-minded people with experience in governance, finance, health care, property management, business, communications, community development, or related areas.

Interested? Let's talk.
