

Join Our Board of Directors

Who Are We Looking For?

The **Western Kings Memorial Health Society's Nominating Committee** is looking for new **Volunteer Board members** to become part of a progressive governance team. Society Board members bring a wide variety of skills, business competencies and community leadership to ensure top level oversight of our organization. Specifically, Board members:

- Provide direction and support to Society employees, including the Manager.
- Govern the Society and set the long-term mission and strategic direction for the organization.
- Maintain strong oversight of the financial strategy and health of the Society.
- Analyze donation requests and award money accordingly.

What Does This Mean to Board Members?

- Serve 3-year terms, with the opportunity to re-offer.
- Attend quarterly meetings typically held during the lunch hour (light lunch is provided).
- Participate in Committees which align with their expertise and interests.

Who are we?

The Western Kings Memorial Health Society is a non-profit, charitable organization that since 1996 has owned and operated the Western Kings Memorial Health Centre. Over the past 5 years, the Society has donated approximately **\$500,000** to various local organizations in support of local health programs. Our work is vitally important to the wellness of our community!

What do we do?

Our goal is to attract organizations who provide health care services to our community by offering reasonably priced, high quality space. Our unique operating model allows us to operate and maintain our building in top condition while ensuring that future capital plans are fully funded.

Interested? Let's talk!
